How to Use the Directory . .

The City Directory is really a co-operative catalogue of the inhabitants, business interests and institutions of a city. But the very mass of the information contained, until one learns how to use it, may appear to be an obstacle to those unfamiliar with its arrangement.

The Directory will enable you to find the answers to the following questions:

? ? ? ?

How to Use the Directory . .

The City Directory is really a co-operative catalogue of the inhabitants, business interests and institutions of a city. But the very mass of the information contained, until one learns how to use it, may appear to be an obstacle to those unfamiliar with its arrangement.

The Directory will enable you to find the answers to the following questions:

? ? ? ?
